currency was the commercial and promotive and the fash control of the day wages against negro slatery, where can American upholders of the many because the fash control of the day wages against negro slatery, where can American upholders of the method except in Brazil, where it underlies the wealth, the program and prospecific of a great station. For the many be classed Democrate 31, Opposition 23, doubted to the tree in in Brazil what the cotton plant is to control of the station tif the former, B azil thirty-fif h Congress. Ws make these statements

thirty-fif h Congress. We make there statements are provided in the former, B and a provided are provided in the control of th having curred these colonies with the edious traffic. There is nothing in our history as a nation more marked than our antipathy to the African slave trade. Its abolt n was decreed in the constitution of the country, in 1800 our citizens were forsiden to embark in fireign ships for the trade, and at late as May 15, 1820, the slave trade was declared to be princy, and any lizen detected in the rade was adjudged to the gallows. The necessity and christianity of its abolition were evinced by the action of the founders of our republic; the ignorability of the trade was defined itself was defined in 1820, when it was branded as pirray. The maintenance of our of his friends, will again oppose him, with every trade of the maintenance of our of his friends, will again oppose him, with every trade of the month of the trade was adjudged to the gallows. The necessity and christianity of its abolition were evinced by the action of the founders of our republic; the ignorability re-elected. In the fifth district, Henry will depend on account of the over confidence. was branded as piracy. The maintenance of our rights in slave property is not to be confounded or intermixed with the revival of the African slave rescaled by a sengade Weig, Thomas F. Bowing and the state of the African slave rescaled by a sengade Weig, Thomas F. Bowing R. B trade. The people of the South have one common the Opposition have nominated Alex. II. Haynes, stanch Clay Whig, and it is hoped he will be nile they are divided on the other, though there are but few men had and bold enough to make an open hoast of the west han Alerina dereavity.

Conservatism from the inflames of the Catholic vote

boast of their werse than Algerina depravity. CF Tae L ndws Times in an article on the San June off sir characterized by neither good tasts nor

publicans to explain to it "the inecutiovertible for that orderly government and social prosperity po enough while the semblence of legality is observed, were to learn that the Republic was disposed neither to receds sor negotiate.

er to receds our negotiate.

The picin English of this is that England could whip the United States without deficulty, if she ask him for the lows of the Reffer pamphle, the should think it worth her while. It leasueer at the strength and prowess of the American people, and a gratuitous eneer at that; as gratuitous as it the States will find a great many more "pet names" is empty, since there is as little in the aspects of for slavery. the Sar Juan question to call it forth as there is in the condition of the American people to warrant it.

We deprecate this tons of remark, but, if the Lonproving the statehment of Democrate the can don Times chooses to descend to the level of flings and taunts, we can tell it that the American people have in the course of their brief career as a nation wi do it a third time, if necessary. At all events it would be no great etretch of presumption on the case to the nomination of De President, they will support him if n hipped Lugland twice already, and they can and again what they have done twice most

efficiently when the lifetime of some of them.

Int, in truth, they have no thoughts at all on a subject so far below their devity and so forsign to the question at issue. The Eagtish people may rest assured of that, and the London Times may pursuing such a course? We know the Johnship. It seems to be the general opinion of all well it had denounced in advance. We should, there-

informed politicians, that the recent elections in Pennsylvania, Ohio, Indiana, Iowa, and Minnesota, are a death blow to the Presidential aspirations of Senator Donglas. His principal strength, it had been thought, was In the Northwest, and ha has certainly tried to adapt his doctrines to a local popularity in that sec ion, and the elections on the 11th-inst. were all canvassed apon the Douglas platform, hi himself making a visit to Ohio to deliver space-base and can riste his views upon squatter-covereignty. The result is that his Captains, Pagh, Shields, Forney, and Dodge, have been discomfited; it has been shown that be has no popularity and is not at to make the application. own that he has no popularity and is not an to make the application.

theaxe Longs.-The Grand Master yesterday ap pointed the following officers for the ensuing year Thos. M. Lillaud, of Napoleon, G. S. D.; Wm. P. loss, of Carlisle, G. J. R. John T. Fleming, of lemingsburg, G. W.; Edward Richardson, of Moc-

CPA drayman met with a mishap at Portland Cardial, Wood's Hair Restrative, Sunford's Inviggraveday. He shaft here fell and two hids of
tobacco, which were on the fray, rolled off, paselag over one of the borses, billing him, and then
rolling into the river. The team belonged to James
Rrancon.

Romes and Brogy Stoles—Last svening,
while Mr. Brandies was taking supper at his resi-

live forever to enter upon a new ataga of duties as a wifa. We are happy to know that she has accumulated a very handsome sum during ber dramatic accerer, and we trust that che may long live to enjoy it. The Hidden Hand is tejested to night being the eleventh consecutive performance.

Two Mex Murror Red.—The Concordia (La.) Intelligencer, through a letter from Black river, learns of a terrible murder committed in that locality en the 8th lust. On that day Mr. Joseph C. De L'Hoste, in company with Cherke H. Beernom, were preceding to the house of Wim. Ruce, Eng. Jantico of the Peace, for the purpose of attending a trial insatitated by Mr. De L'Heste against some party for stealing bogs. While on the road leading from Wild Cow Bayon to Mr. Isanc Lum's, they were pursued by even men, supposed to beiong in were pursued by eeven men, supposed to belong in Catabonia and Avoyellas parishes. Anticipating the intentions of their pursuers, Mr. Da L'Hoste sand bis companion arged their horses and endeavored to class their pursuers, who, bowever, gained upon them, and enterprise provided the property of the careed, Marie G. Wishin, K.Y.

In Careed, Mariene C. J. Rolling of Hell. III.

J. R. Rolling of J. H meat the residence of Mr. Lam, they put two shots further body of Mr. De L'Houte, either of which would have proved fatal. In his flight, he parsad a supany of leishnen, who were at work, calling upor them for help. As he did not check his parent.

In like the parsad a supany of leishnen, who were at work, calling upor them for help. As he did not check his parsad a function of the least of the law of th

tiary, from which judgment he appealed.

Lost.—Yeste day morning, between Shannon's Lackwan, Libanoa Jackwan, Libanoa Jackwan streat, a gold watch with bins enamel Chatelela, with the name of "Caril" on the seal. The finder
